

DEPARTMENT OF ENVIRONMENTAL PROTECTION
MONTGOMERY COUNTY, MARYLAND

NOISE WAIVER CERTIFICATE

ISSUED TO: Traffic Engineering Service on Behalf of United Rigging/Pat Nickoles, Project Manager
Owner/Operator

Valid From: June 28, 2021

Valid To: July 9, 2021

Type of Waiver: Temporary

Authorizing:

Work related to use of a mobile crane to hoist materials at 8633 Colesville Rd, Silver Spring. The scheduled work hours are 2:00 a.m. to 6:00 a.m. Tuesday, June 29, 2021 (or June 30, 2021 depending on weather), and the work shall be performed under the following conditions:

1. Machinery shall be equipped with well-maintained and effective mufflers, and moving parts shall be well lubricated to avoid unnecessary noise from squeaking parts. Machinery access doors and hatches should remain closed when the units are in operation and all machinery should be operated at the minimum level necessary to get the job done. Minimize banging, clattering, buzzing and other annoying types of noises.
2. The unnecessary backing of machinery and trucks with traditional tonal backup alarms must be avoided. DEP recommends the use of OSHA approved white noise backup alarms.
3. Prolonged idling of machinery and vehicles must be avoided. If machinery or vehicles are not utilized for long periods, they should be shut off to reduce idling noise.
4. All onsite staff, including truck drivers and crane operations personnel, should be notified of noise mitigation procedures prior to work.
5. Regular communications must be provided to nearby residential buildings and hotels, so they are aware of the work schedule and expected noise related to the crane activities.

DEP may suspend or revoke this approval for any violation of the terms and conditions, and may make modifications to the terms and conditions based on the results of noise monitoring or the noise impact of certain activities.
